CCC memberships are based on a calendar year, January - December.

Coulee Corridor Consortium is a 501c6 non-profit corporation. Currently our 501(c)3 status is pending. By joining the CCC, you are supporting a grassroots driven organization devoted to the preservation, protection, and promotion of our resources (natural, historical, cultural & recreational) along SR155 and SR17 from the city of Othello to the city of Omak and associated byway loops. Funds are used to support the CCC operations and expenses. Business memberships will also receive a listing on couleecorridor.com that includes business name, web site and phone number.
